| REQUIRED COURSES | MONTEVISTA GRADUATION REQUIREMENTS ${ }^{1}$ | UNIVERSITY OF CALIFORNIA（UC）\＆ California State University（CSU） ＂A－G＂Subject Requirements ${ }^{2}$ | SelectivePrivate Colleges ／Universities <br> Entrance Requirements ${ }^{3}$ |
| :---: | :---: | :---: | :---: |
| Bible | 4 Years （1 Course per semester） | None | None |
| English | 4 Years | 4 Years＇B＇ | 4 Years |
| Math | 3 Years <br> Algebra 1 <br> Geometry <br> Algebra II | 3 Years （4 Years Recommended） （Algebra II－Minimum Required， Advanced Math Preferred）${ }^{\text {＇}} \mathrm{C}^{\prime}$ | $\begin{aligned} & 3 \text { Years } \\ & \text { (4 Years Recommended) } \\ & \text { (Advanced Math Preferred) } \end{aligned}$ |
| History／ Social Science | 3 Years | $\begin{aligned} & \text { 2 Years } \\ & \text { (1 Year ofWord Cultures / Soc. Science) } \\ & \text { (1 Year of U.S. History / Am. Gov't) 'A' } \end{aligned}$ | 3 Years |
| Science ${ }^{5}$ | 2 Years of Science （1 Year of Physical） （1 Year of Life） | 2 Years of LAB Science （3 Years Recommended）＇D＇ | 3 Years of LAB Science （4 Years Recommended） （Biology，Chemistry，\＆ Physics Preferted） |
| Fine Arts／ （VPA）Visual Performing Arts | 1 Year $^{6}$ | 1 Year | 1 Year |
| Foreign Language | May replace Fine Arts for MVCS only，but does not replace VPA for UC／CSU | 2 Years of Same Language （3 Years Recommended）${ }^{\text {E }}$＇ | 3 Years of Same Language （4 Years Recommended） |
| Electives | 40 Additional Elective Credits | 1 Year of an approved College Preparatory＇ G ＇ | Additional Academic Electives （Honors \＆AP Level Preferred） |
| Additional Requirements | 2 Years of P．E． <br> 1 Semester of Health <br> 1 Semester of Technology <br> 96 Hours of <br> Community Service | ACT or SAT Reasoning Test＋For all UC： 2 SAT Subject Tests in 2 different Subject Areas | ACT or SAT Reasoning Test ＋Some Selective Colleges also require the SAT Subject Tests |
| TOTAL | 240 Credits Required for Graduation of Courses Required＋ Elective Courses＋ Community Service | 15 Units（Courses）in the ＂A－G＂Pattern of Courses＋ Required Tests Scores＋ Extracurricular Activities | Rigorous Sequence of Academic Courses following the UC／CSU ＂A－G＂Pattern＋Required Test Scores＋Extracurricular with Leadership Roles |

${ }^{1}$ Math，Science，and Foreign Language are sequential courses and placement in subsequent levels is dependent upon student＇s successful completion of the prerequisite course level．
${ }^{2}$ UC／CSU always recommends more than the minimum requirements．The more selective the college，the more Honors and AP classes are needed．The minimum grade colleges will accept is a＇$C$＇grade for college prep courses．
${ }^{3}$ Private colleges vary somewhat in specific entrance requirements．Therefore，it is the responsibility of the student to verify the requirements for individual college campuses．
${ }^{4}$ Most Colleges expect students complete a level of Math beyond Algebra II（i．e．Pre－Calculus，Calculus，Statistics）
${ }^{5}$ Earth Science is NOT a Lab Science and can only be used to fulfill MVCS Graduation Requirements，NOT college entrance requirements．A Lab Science from each of branch of Science，Life \＆Physical，must be taken to meet college requirements（i．e．Biology and Human Anatomy are Life Sciences and both together do not fulfill the Lab Science requirements for colleges）．The student must still take a Physical Science，Chemistry or Physics．Colleges prefer that students take traditional Lab Science sequence；Biology，Chemistry and Physics．
